Dear Parents/Carers,

A warm welcome to our New Year!

As we have commenced Summer Term we are looking at our contribution to supporting others and Charitable deeds.

Charity Focus:

Our children will be involved in projects including the charities: West Midlands Air-Ambulance Service, Fair Trade, Baby Blues, Good Shepherd Ministry, Haven and Barnardo's.

Marvellous Me:

Our communication App. has now been launched to keep parents/carers informed about positive achievements about their children, or year group information.

Over 253 parents have now downloaded the App!!!!

If you require any help regarding the App please approach your child's class teacher straight after school.

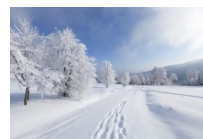

Dear God,
Be very close to people who have been hurt,
Help them in their helplessness and shower them with kindness and love.

Amen

Communication System:

Please can I remind parents/carers to inform the school if mobile phone numbers or contact details change as soon as possible.

Adverse Weather Conditions:

If the school has to be closed due to weather conditions this will be communicated by the text to parent system. The first named contact would receive the text.

Parking:

Our new, "Parking Buddies" on Clark Road have been an effective deterrent. There are still a minority of parents who are attempting

to park on the yellow school lines. Please inform the school office of the vehicle registrations so further action can be taken. It is important to remember to keep your child and every other child safe.

School Payments:

We do have an online payment system. All parents are encouraged to use this payment system. If you need help or support to access the system, please do not hesitate to contact the school office.
