Year 5

Autumn 2022

Science

In Science, Year 5 will be studying 'Earth and Space' and 'Forces'. We will be developing our understanding of 'working scientifically' using fair tests,

sorting & classifying, observing changes over time, research and

pattern seeking.

Project Week: C.S.I.

History

In History, we will be learning all about the Vikings.

Project Week:

R.E

Black History - we will learn all about the Windrush Generation.

Please ensure your child has a named water bottle in school EVERY DAY.

English

In Religious Education,

we will be exploring both

Christianity and

Islam.

In Year 5 we will be reading Phillip Pullman's The Firework-Maker's Daughter and Robot Girl by Malorie Blackman.

We will also be exploring a range of non-fiction linked to our Geography topic: Mountains. We will also be developing our cursive handwriting and completing weekly spelling tests on a Friday.

In Geography, our topic is Mountains and we will be looking in detail at The Alps mountain range. We will learn about physical geography such as avalanches. We will also learn about the human geography aspects such as the positive and negative effects of tourism in the Alps

Homework books will be given out on a Friday and expected back no later than Tuesday so we can mark them.

Mathematics

We will start by looking at core skills involving the 4 operations: addition, subtraction, multiplication and division. Before moving onto fractions, geometry,

decimals and measurement.

It is important for your child to practise their times tables up to 12x12

We will also be doing weekly mental maths tests.

Computing

Children will learn to stay safe online, and program a simple computer game using algorithms and blocks of code.

Art/D.T P.E.

P.E. Days: Tuesdays and Thursdays On these days children can come to school in

their P.E. kit.

Swimming commences Tuesday 20th September.

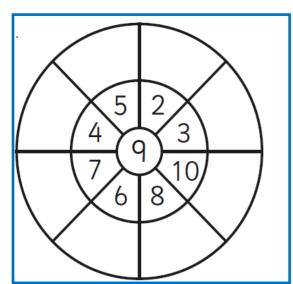

In Art, we will be exploring Charlie Mackesy and Indian Ink.

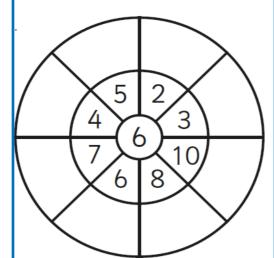

In DT, we will be designing and making our very own marble runs from junk modelling materials

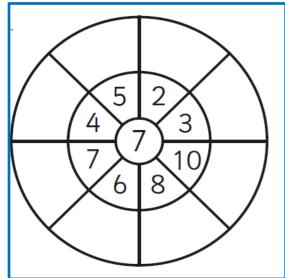

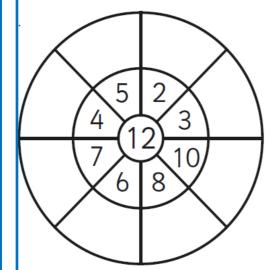

how mountains are formed and about glaciers and

Homework

Please try and read as much as possible! Whether it be your school reading book, Active Learn, Bug Club or one of your favourite books from home. We have plenty of book reviews for you to fill out so that you can share your favourite books with your peers!

Water Bottles

- Some useful websites to use for independent learning include:
- Education City Active Learn
- BBC Bitesize Times Table
