Also don't forget to sign up for Marvellous Me, so we can share your child's achievements with you!

Over the year we will be celebrating children's achievements at home as well as in school. We look forward to hearing about what makes you proud of your child.

Thank you for
your support!

Terrific for Twos

Summer Term 2023

Welcome to Summer Term in Terrific for Twos.

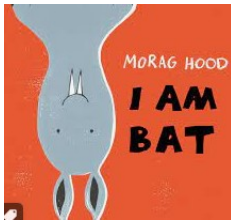

This term we say goodbye to some of our children as they move up to nursery and welcome our new starters.

In Summer term 1 we will be exploring people that help us, including - firefighters, vets, shop keepers and dentists.

Following this, in Summer 2, we will be celebrating summer, talking about changes in the weather, summer holidays and the beach.

Throughout all of the topics we will be focusing on:

- ⇒ Building relationships and developing friendships
- ⇒ Developing language and communication through stories and singing.
- ⇒ Developing fine motor skills through finger gym activities.
- ⇒ Listening to stories
- ⇒ Making independent choices.
- ⇒ Taking risks in play
- ⇒ Problems solving

PSED

We start the term by exploring well-being, reading 'I am Bat', we will be talking about our own likes and dislikes and exploring emotions.

We will be taking part in lots of group activities, learning to take turns and share ideas with our friends.

Communication, Language and Literacy

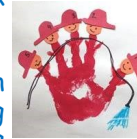

In Summer term, we introduce our new topic—People That Help Us - exploring both fiction and non fiction texts about each profession.

We will be learning new vocabulary and explore mark making, drawing our favourite animals, painting fire engines.

We will be listening to a variety of stories and joining in with songs and rhymes.

Physical Development

We develop fine motor skills through finger gym activities including threading, using scissors, mark making and exploring play dough.

Gross motor skills are developed in various ways through play, riding bikes, building towers, mark making and using the adventure play ground.

Understanding the World

We will be taking advantage of the nice weather and exploring forest school, exploring natural materials and changes in the environment.

For our **Expressive Art and Design** we will be using a variety of media and materials to create art work such as using spray bottles to create fire pictures.

We will be singing and dancing and enjoying weekly music lessons and have lots of opportunities to dress up and engage in role play.

Maths

Throughout the term we will be investigating number by counting, singing number rhymes and exploring quantity.

We will be exploring size when talking about the vets—with different size bandages, plasters and pets.

In **Worship** we will be listening to simple Bible stories and saying our daily prayers.

Notice Board

Online learning for Terrific for Twos:

Marvellous Me
Seesaw
Education city
Active learn

Please ensure that your child brings a bag with nappies (if required) wipes and spare clothes.

At snack all children are offered a choice of fruit and can either have milk or water. Children may bring in a water bottle if they would like to.

Please ensure your child has a waterproof coat (labelled with their name) every day in school as we take our learning outside whatever the weather.

Could you please encourage your child to dress independently, including taking their coat on and off.

Many Thanks
