

# Our journey through Spring Term looks very exciting in Year 6!

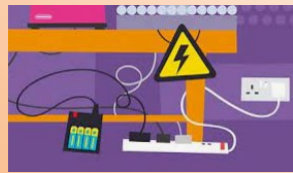

Spring  
2024

## Science

During Science this term we will focus on 'Light' and 'Electricity'. Our topics will cover a range of enquiry questions such as 'what colour do you get if you mix different colours together?' and 'can we change the traditional components of a circuit?'

Our Electricity topic will also link to Design and Technology, where we will be making robots!

## Geography & History

For our Geography topic this term, pupils will be completing their own project that looks at South America with a particular focus on the Amazon rainforest and river. Pupils will explore the landscape using key map skills and we will then look at the different areas of the Amazon Rainforest, including the city of Manaus.

In History, pupils have completed and shared their research into Crime and Punishment through the ages.

Pupils have looked at Crime and Punishment through the following time periods: the Romans, the Anglo-Saxons, Vikings, Early Modern Britain and the Victorian Age. Year 6 had a fantastic time sharing their projects in the first week.

## Literacy

This term we will be reading a range of texts including Hansel and Gretel, The Arrival, Macbeth, and topic related non-fiction texts. Pupils will write for a range of purposes: to Entertain, Inform, Persuade and Discuss. The study of Shakespeare's Macbeth will also incorporate drama.

## R.E

In the Spring Term, pupils will also explore the resurrection of Jesus and what this means to Christianity as a whole. They will explore what Salvation is and why this is significant with the Christian faith.

## Numeracy

In Numeracy, pupils will cover a range of mathematical topics, with the aim of consolidating their understanding of place value and the written methods, before moving onto fractions, decimals and percentages. Pupils will have the chance to solve multi-step problems whilst also aiming to reason and explain their findings.

## Well-Being

In Well-Being this term, pupils will be exploring their health-both physical and mental. They will identify strategies that can be used to improve and maintain a healthy lifestyle.

## Art & D.T

In the Spring Term, we will be focusing on how to embrace and enhance our photography creativity. Our DT focus will be to be linked to our science topic where we will be designing and making electrical powered robots.

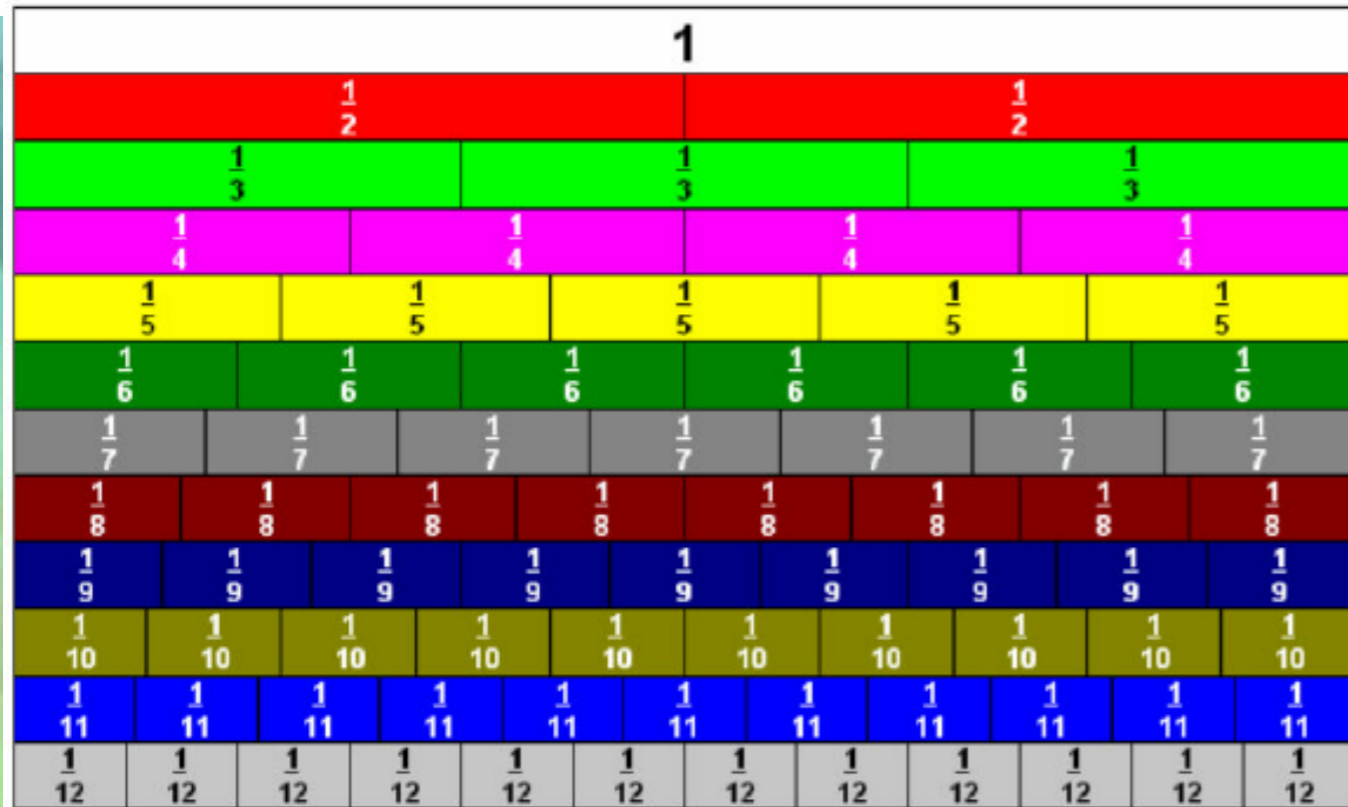

## Computing

This term, pupils will complete a number of units. Firstly, they will be designing and creating their own blog! Other units will include exploring how the internet network works and designing and creating quizzes.

CRIME  
AND  
PUNISHMENT

<b>R</b> RESPECT	<b>A</b> ACHIEVE	<b>I</b> INSPIRE	<b>N</b> NURTURE	<b>B</b> BELIEF	<b>O</b> OUTSTANDING	<b>W</b> WELCOMING
---------------------	---------------------	---------------------	---------------------	--------------------	-------------------------	-----------------------

PE

Children will have swimming every Wednesday and PE every Friday. Please come in the correct kit!

Some useful websites to use for independent learning include:

- Education City
- TT Rockstars
- BBC Bitesize
- Purple Mash
- Active learn

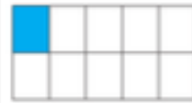

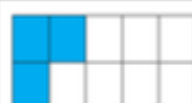

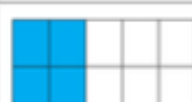

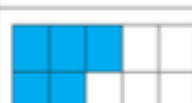

**Homework**

Homework

Homework will be given out on a Friday and should be returned to school by Tuesday. This term, children will be set a blend of online and physical homework. We will let you know on Marvellous Me which way it will be set each week.

Fractions	Decimals	Diagram	Out of 100	Percentages
1/10	0.1		10/100	10%
2/10	0.2		20/100	20%
3/10	0.3		30/100	30%
4/10	0.4		40/100	40%
5/10	0.5		50/100	50%

**New Curriculum Spelling List Years 5 and 6**
