

Spring 2025

Spring is looking exciting in Year 4!

Remember to practise your reading, handwriting and times tables.

History

In History, children will be learning about the Ancient Greeks. We will be looking at this ancient civilisation, with a particular focus on the Ancient Greek lifestyle and how some of their discoveries and their way of life still influence us today.

Geography

Within Geography, we will be learning about Rivers. Children will have the opportunity to learn the features and journey of a river. We will be locating major rivers in the United Kingdom and in different continents.

Notices

PE is on Thursday afternoons. Children will need to arrive at school in their PE kits and will remain in their kit for the whole day. Please remember joggers/tracksuit during the colder months.

Please ensure children have a water bottle in school daily.

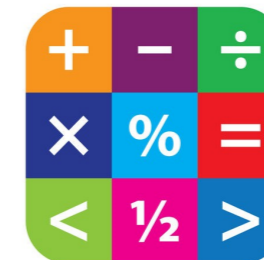

Remember to check

Marvellous Me for regular updates.

Literacy

In Literacy, Year 4 will be starting this term with Little People, Big Dreams- Marcus Rashford. We will also be reading the text called 'The Great Food Bank Heist.' In Spring 2, we will be reading Matilda by Roald Dahl. We will be writing for a range of different purposes.

Numeracy

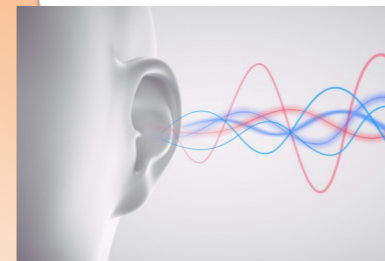

In Numeracy we will be working on all aspects of mathematics, including number, addition and subtraction, multiplication and division and fractions. It is important that your child continues to practise recalling multiplication facts as they must know these by the end of this year.

Science

In our Science topic, Year 4 will be studying Sound. We will be investigating:

- What is sound?
- How do our ears work?
- What is the difference between Pitch and Volume?

In addition to this, Living things and their habitats will be covered. Areas such as the animal groups, classification and MRS NERG will be explored in detail.

Art & D.T

In Art, we will be focusing on an artist called Georgia O'Keeffe. We will be exploring her artwork and using her work to inspire us to create our own in her style.

In DT, our topic is Electrical Systems where we will be creating simple series electrical circuits, using bulbs, batteries, switches and buzzers.

R.E

In Religious Education, we will be looking at what is it like to follow God? Following this, children will explore, why do Christians call the day Jesus died Good Friday? This will involve children understanding why the Last Supper was important and exploring the Easter Story in more detail.

Reading

All children are provided with a school reading book and reading record. We expect both of these to be in school every day. This is so we can hear the children read both individually and through guided reading sessions. Children are encouraged to read as much as possible and we would ask that they are heard at home so they develop a love of reading.

Computing

In Computing we will be focusing on computer skills. We will be looking at making music using Purple Mash.

Year 3 and 4 Statutory Spellings

accident	caught	eighth	heard	minute	possible	strange
