

Year 3
Spring 2026

Geography

In Geography, children will be learning about Mount Vesuvius. Students will be looking at earthquakes, tectonic plates and how and why volcanoes erupt.

Literacy

In Year 3 we will be reading and exploring Paddington, Anisha, the Accidental detective and Diary of a Killer Cat. Year 3 children will learn to write for a range of different purposes and audiences.

Mathematics

During our Mathematics lessons we are going to build on our calculation skills, learning different written methods. We will explore in greater depth, place value, money, shape, fractions, measures, data handling and reading and telling the time. Children will continually apply their knowledge to a range of problems and solve reasoning style questions with increasing depth.

History

In History we will be exploring what life was like for the Ancient Egyptians. Looking at social hierarchy, mummification and hieroglyphics. We will be observing artefacts and completing research to support our learning.

Wellbeing

In Wellbeing this term we are focusing on Equality and then our Dreams and Goals. We will also gain a deeper understanding of families, relationships and children's rights.

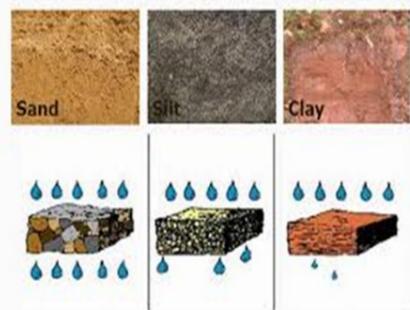

Science

Across the Spring Term, we will have two different scientific topics to investigate. Rocks and Soils, where children will look at; how rocks are formed, observe different types of soil and explore fossils. In Forces and Magnets, we will explore movement and friction, magnetic attraction and investigate the theory of polarisation.

Computing

Children will build on their knowledge and understanding of Computing. This will include a touch typing scheme of work and email safety including, composing emails and communication. We use Purple Mash in school and children have their own logins to access from home.

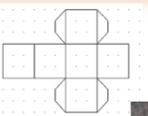

RE

Within Religious Education we will develop children's knowledge and understanding of Hinduism. We will then move on to Salvation, looking at why Christians call the day Jesus died Good Friday and recapping the Easter Story.

Art and D.T.

For our Art topic, we will be getting our inspiration from Piet Mondrian and Giuseppe Arcimboldo and exploring a range of drawing techniques. In D.T. we will be designing, making and evaluating 'shell structures using computer aided design (CAD).

Year 3 and 4 Statutory Spellings

Year 3: Monday is our PE day

Children are asked to come to school already dressed in their PE kit for PE and will remain in it for the rest of the school day. Jogging bottoms should be worn for times of the year when it is colder.

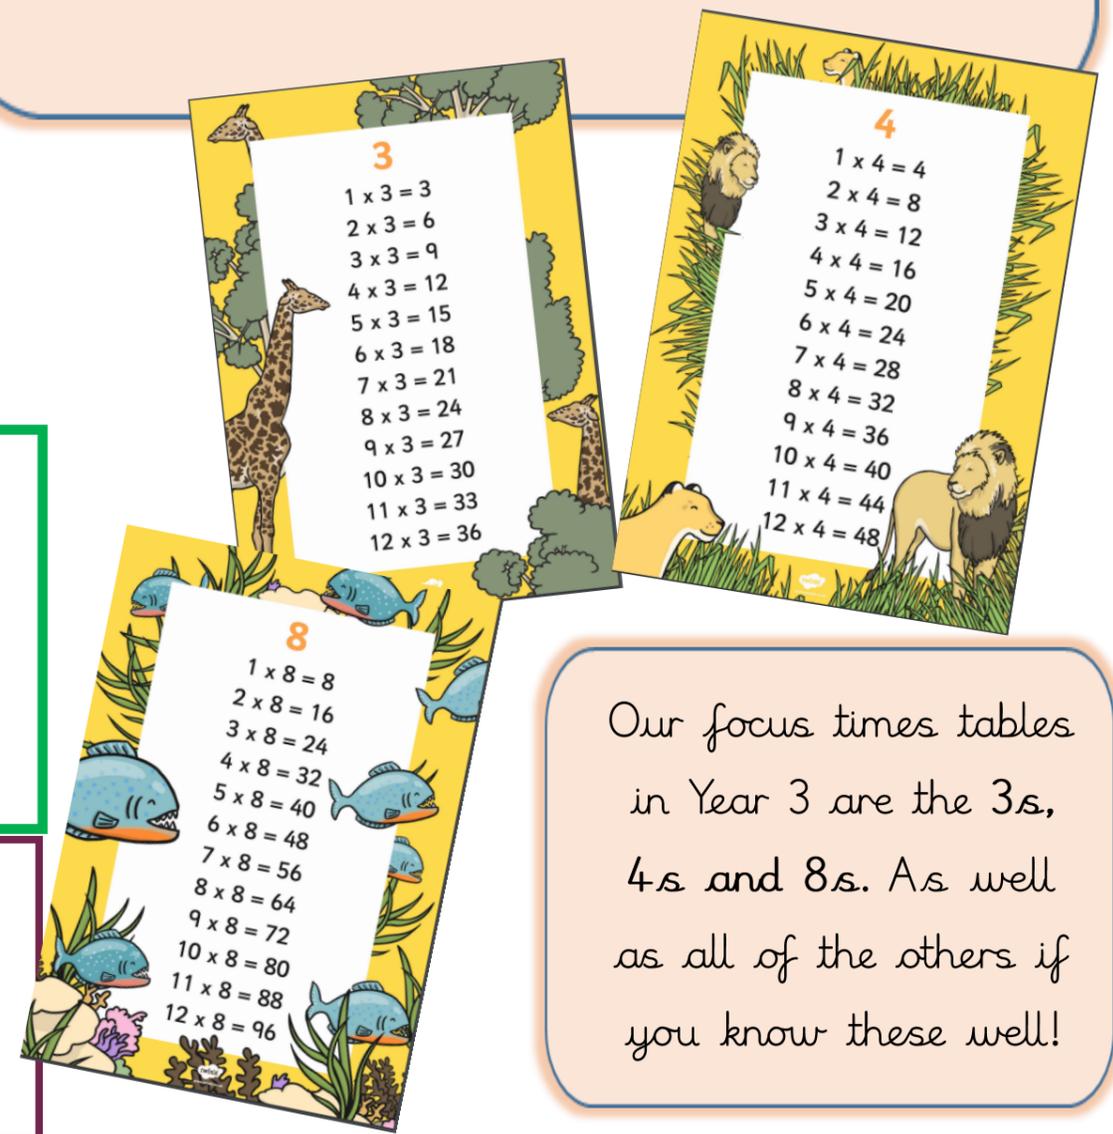

Clubs start the week commencing 23/02/26.

Why not try a new book from our reading for pleasure basket in Y3?

Please try and read as much as possible! Whether it be your school reading book or one of your favourite books from home. We have plenty of book reviews for you to fill out in school so that you can share your favourite books with your peers!

Some useful websites to use for independent learning include:

- Education City, Active Learn, Purple Mash, See-Saw, BBC Bitesize, Times Tables Rock Stars, Top Marks and Spelling Frame.

Our focus times tables in Year 3 are the 3s, 4s and 8s. As well as all of the others if you know these well!
